

JavaScript: Learn JavaScript in 24 Hours or Less - A Beginner's Guide To Learning JavaScript Programming Now (Paperback)

By Robert Dwight

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Learn JavaScript In 24 Hours Or Less!The Internet has come a long way since the early 90's. With hundreds of thousands of computers already connected in a network, there arose the dilemma as to how data were to be distributed to different computers in an organized manner. With this in mind, Tim Berners-Lee created a hyperlinking framework known as the Hypertext Transfer Protocol (HTTP). Alongside HTTP he also created a markup language known as the Hypertext Markup Language (HTML). In modern web browsers, most of the time you no longer have to type in HTTP or HTTPS in order to visit a website. You also won't see the extension very often as you surf the web. These are done in order to simplify the web browsing experience for casual users. As you may have noticed, there's a trend among web developers to make things as simple as possible for the web surfers. While the early 2000's seemed good enough for a lot of people, with the advent of flashy, glossy text and buttons and "click here to enter" flash intros, these elements do not accurately...
