Reviews

If you need to adding benefit, a must buy book. It really is writter in straightforward words and phrases rather than difficult to understand. Your life period is going to be change the instant you total reading this ebook.
(Letha Okuneva)

IFRS PRIMER: INTERNATIONAL GAAP BASICS, CANADIAN EDITION (PAPERBACK)

John Wiley and Sons Ltd, United Kingdom, 2008. Paperback. Condition: New. Language: English. Brand new Book. Canadian public companies will have to follow International Financial Reporting Standards as of January 1, 2011. The IFRS Primer: International GAAP Basics serves as a roadmap to provide guidance and a path through the period of transition for both students and instructors. The IFRS Primer covers an introduction to IFRS basics and is a stand-alone volume, which is a logical supplement for use with existing Canadian or U.S. introductory, intermediate and advanced financial accounting textbooks. While the chapter content does not directly discuss differences between Canadian accounting standards and IFRS or U.S. standards and IFRS, chapter icons identify where there are significant differences and an appendix explains the major differences.
